

HIGH HOPES HEAD INJURY PROGRAM

PLANNED GIVING

HIGH HOPES LEGACY

High Hopes has the belief that people can regain their lives after a brain Injury! High Hopes has proven year after year that this belief is true.

Be part of the legacy that will carry High Hopes into the future and make the difference in the lives of thousands of deserving individuals.

You can be a part of this great program for generations to come as a lasting legacy for your support. Complete a statement of intent notifying us that you have included High Hopes in your will or you will be making another planned gift benefitting High Hopes.

Your name will be a permanent reminder to everyone of your support for generations to come. You will be included in all of High Hopes events, and a member of our lifetime supporters. As a legacy you will receive significant tax benefits for you and your estate. We give you the reassurance that your support will live on and make the difference for thousands of brain injured adults.

Some Legacy Projects:

Pay off our existing mortgage which will allow High Hopes to always have a permanent location.

Purchase an additional building which will allow High Hopes to expand and provide much needed services to many more brain injured adults.

Scholarship Program: 90% of all High Hopes students need scholarships. Scholarships are the most important funding project. The more scholarship funding that we receive the more people we can serve.

Option 1: Scholarship support that is given annually in your name.

Option 2: Scholarship support on behalf of a particular person.
